St. Luke Union Church, Bloomington, is excited to be the hosting the 2011 CROP Hunger Walk again this year. Last year we had over 100 walkers participate. This year we are looking to double that number! We are inviting your church, youth group, or organization to participate and support the 2011 CROP Hunger Walk and help to end hunger one step at a time.

25% of the funds raised will go to local food pantries. The other 75% will go to Church World Service to support their effort in raising awareness, providing educational programs and meeting the needs of those stricken by natural disasters.

Your help to promote this important event is greatly appreciated.
